Additional Skills. I have mostly been on the other side of the camera. I was a Director, Cinematographer, and Producer. Over my career I owned a Film Production Company, for about 45 years. Prior to that I was VP at ABC here in Denver, and production manager at N Lee Lacy in California. I also taught Film production, Acting, Cinematography, and Producing at The University of Colorado, Denver. My personal awards include numerous Tellys, Clio, Cine Golden Eagle, Art Director awards in Chicago, Detroit, Houston, and other cities, plus many Denver Advertising awards. I have also won an Emmy. Aside from other classes, I taught the Web series class at the University, myself and my students were flown to LA and won the National Collegiate Emmy Award. Another class, flown to LA Sony Studios winning 5 of 8 categories for our film productions. I am most comfortable working with and teaching acting, hence I like to act!
